Subject: Torrey Quarry M0550016

Dear Susan,

Attached you will find two complete, clean copies of the Torrey Quarry Mine for your final review and approval.

Also, as discussed with Paul Baker, he indicated that the current surety held by the Division exceeds the surety amount required. We request that the Division continue to hold the entire \$35,000 for the Torrey Quarry, so that we may apply it to either a future surety escalation or in the event the mine plan changes and effects the surety required.

If you have any questions or concerns, please contact me or my assistant Nicole at 801-747-7109.

Thank you,

*Nicole Wobbe Espinoza*
